Apostas esportivas online, or online sports betting, has become increasingly popular in Brazil over the last few years. Our case study focuses on 8 Bet's strategy for attracting and retaining customers. The platform's success comes down to three essential elements: user experience, exciting promotions, and timely customer service.

Firstly, 8 Bet's user-friendly site and mobile app make it easy for customers to navigate and place their bets quickly. The search functionality is robust, making it simple for users to find their favorite sports team or event to bet on.

1.Pre-planning:

during the pre-planning phase, we conducted a market analysis identifying gaps in the sports betting industry that 8 Bet could fill. We also evaluated competitors, defined target audiences, created buyer personas, and outlined our main goals.

2.Development:

Our efforts turned to the platform's development during the second phase. 8 Bet's technical details are listed below:

Development Timeframe = 8 weeks

Development Budget = R\$50,000

Development Team Size = 15

Third Party Marketing = We partnered with several influencers in the sports industry, such as popular soccer players and famous sports analysts, to do sponsored posts that spread the word about 8 Bet.

3.post-launch:

Once 8 Bet was launched, our efforts shifted into post-release mode. Here are in-depth descriptions of two integral components:

Updates and maintenance—we continuously updated the site and mobile app with new functions, fixed bugs, introduced new items, and improved existing ones

Marketing & Promotion= Besides continuing to work with influencers for sponsorships and cross-promotions, we invested significantly in internet advertising to draw more clients.
